REFEREE
FIND

Referee Find is a service provided by TVA. This service will find a contract referee for teams who do not wish to provide officials during the league season. This service will assure that your matches are covered by a certified official and will reduce the chance of forfeits or fines due to your official not showing up for a scheduled match. Initial the box to the left and make a non-refundable payment for the following divisions: **Open and AA Levels \$225; and A and below \$165. Referee find service election and payment must be made at the time of registration.**

Please initial in the box to the left if your team chooses to provide its own referee. Note that your team will be responsible for covering ten scheduled matches throughout the season. TVA will do our best to schedule matches accordingly, no guarantees of match times or referee schedules can be made at this time. Also, please note that if your team referee does not show up to work their match, then TVA will follow guidelines laid out in the TVA handbook as for proper protocol for the no show referee. **There is a \$25 assigning fee if you choose this option.**
